Theresa:

Attached please find the Mechanic's Lien I have used in the past with non-paying customers. Please have Michelle check the legal description for accuracy with Dalia Sanchez at the San Patricio County Tax Assessor's Office before filing. What I did was copy the legal descriptions for all land owned by NORCO, and the EPA's description of the site, as I could find no other references to Falcon Refinery, Johnathan Carroll, Lazarus Energy, or Blue Dolphin on the Tax Assessor's website. I am sure there is an accurate legal description, but to be safe, I included what was on the EPA's site for property descriptor.

Sign it, notarize it, file it with San Pat County Courthouse. I would get a file stamped copy from the Court, scan it, and email it to me. I will then copy it to Gary Moore at EPA and the assorted cast of characters at Lazarus Energy.

Thanks!
